## About Us

A non-profit foundation has been formed to provide emergency and critical care

needed for the many dogs and cats injured, sick or abandoned each year in our area. The Animal Emergency and Referral Center and its affiliated clinics, to answer this need, have established the **Animal Care Foundation of Central Iowa.**

The purpose of this **Animal Care Foundation** is to "provide charitable funding for emergency medical care for sick and injured animals and to provide for professional education and outreach concerning animal care." This Foundation has been approved by the State of Iowa and is totally dependent on support from corporate sponsors and individual donors. As a 501-C3 know that your donation is tax-exempt.

## The Animal Care Foundation Memory Wall

A memory wall has been established to honor our favorite pets, those of loved ones and special people while helping us fulfill the promise of helping pets and homeless animals in times of need.

Your thoughtful donation will allow us to save and protect even more animals.

\$250 for a 3" x 3" magnetic tile

\$150 for a 3" x 1.5" magnetic tile

Other opportunities will become available to honor our beloved pets, loved ones and those pets of loved ones. Please keep in contact with us about more memorial opportunities.

We are a newly organized nonprofit foundation and your donation gift will provide a source to continue to provide important services and programs for people and their pets.

When making a memorial gift please be sure to include any names and addresses of any family member who should be notified about the gift.
